

# Convert Your Tax Dollars Into Scholarships

Join us in shaping a brighter future for TNA students by participating in the EITC/OSTC programs.

The Educational Improvement Tax Credit (EITC) and the Opportunity Scholarship Tax Credit (OSTC) programs allow Pennsylvania taxpayers + business owners to support independent schools through scholarship funds.

EITC and OSTC empower our students to realize their full potential and overcome barriers to success.

**100%**  
of TNA students  
qualify for  
one of these  
programs
